SUMMARY

Computer Science Engineering graduate with hands-on experience in data analysis, machine learning, Python programming, and web development (HTML, CSS). Completed multiple internships in data science, analytics, and Python development, and built real-world projects including Netflix data dashboard and customer segmentation model. Passionate about software development, problem-solving, and building scalable applications. Seeking an Associate Software Developer role to apply technical skills and grow in a collaborative development environment.

TECHNICAL SKILLS

Programming: Python, Java, C

Web Development: HTML5, CSS3

Data Analysis: Pandas, NumPy, Matplotlib, Seaborn

Machine Learning: Scikit-learn, EDA, Predictive Modeling

Databases: MySQL

Tools & Platforms: Tableau, Google Colab, Git

Core Concepts: Data Structures, DBMS, Operating Systems

PROJECTS

Netflix Data Insights Dashboard

- Developed an interactive dashboard to analyze content trends and popularity.
- Used Python, SQL, Tableau, Pandas, and Matplotlib for visualization and analysis.
- Enabled data-driven decision making through clear visual insights.

E-commerce Customer Segmentation

- Built a machine learning segmentation model using Scikit-learn.
- Identified customer groups to improve targeted marketing and conversion rates

Uber Trip Insights & Visualization Dashboard

- Performed Uber trip data analysis using Python, Pandas, and visualization tools to identify demand patterns, peak hours, and location-based trends for data-driven decision making

INTERNSHIP EXPERIENCE

Data Science Intern – Zidio Development | Apr 2024 – Jun 2024

- Applied data preprocessing, visualization, and machine learning on real datasets.

Data Analytics Intern – Central Tool Room & Training Centre (CTTC) | Jun 2024

- Built analytical dashboards and reports for decision support.
-

PROFESSIONAL EXPERIENCE

Technical Support Executive – Tech Mahindra | April 2025 – January 2026

- Resolved software and connectivity issues through chat support.
 - Strengthened troubleshooting, communication, and customer service skills.
-

EDUCATION

B.Tech in Computer Science Engineering

Gandhi Institute of Excellent Technocrats, Bhubaneswar | 2021 – 2025

Higher Secondary (+2) | 2021

Secondary (10th) | 2019

CERTIFICATIONS

- Python Certification – Internshala
- MEAN Stack Training Certification
- Generative AI Certification – NxtWave

KEY STRENGTHS

Problem-solving • Teamwork • Adaptability • Quick learner • Positive attitude
